

IHB Executes Transportation Service Agreement with HPCL and BPCL

As a part of journey of IHB from Project stage to Operation, Transportation Service Agreement (TSA) was signed between IHB and its Promoters, Hindustan Petroleum Corporation Limited (HPCL) and Bharat Petroleum Corporation Limited (BPCL) on 29.06.2026

The execution of the Transportation Service Agreement marks a significant milestone in the operationalization of IHB's pipeline infrastructure.

The TSA establishes the commercial and operational arrangements for transportation services, facilitating the efficient movement of product while ensuring transparency, reliability and adherence to applicable regulatory and contractual requirements.

IHB remains committed to developing and operating world-class pipeline infrastructure with a strong focus on safety, operational excellence, sustainability and customer service. The Company will continue to work closely with its stakeholders to ensure efficient transportation of petroleum products and support the nation's growing energy requirements.
