Similar nature of job for the purpose of meeting Commercial Qualification criteria is – The bidder as a main contractor or as subcontractor should have experience of “Laying/ Replacement/ Repair/ Coating/ Maintenance Works of Cross-country Hydrocarbon Pipeline” against the single contract during last 7 years										

last day of the month, immediately previous to the month in which the last date of bid submission falls, shall be considered. II. Even in case the date of bid submission is extended, the date originally considered as reference date for experience criteria, shall remain unchanged.	ending on last day of the month, immediately previous to the month in which the last date of bid submission falls. Even in case the date of bid submission is extended, the date originally considered as reference date for experience criteria, shall remain unchanged. For detail, please refers clause no. 1.7.0 of Chapter-II SIT Technical Note: (i) The qualification document should include work order (WO)/Purchase Order copy with Schedule of Rates/ Scope of Works along with Satisfactory Completion certificate issued by the client with executed value, date of mechanical completion of the job, duration of the contract and reference work order number. (ii) Whenever a contractor had worked as a sub-contractor to main contractor, their experience also can be considered. With regard to Sub-Contracted work order, the bidder has to submit a Certificate from the end user / Owner / Consultant of the Owner stating that the main contractor has intimated them about the engagement of sub-contracting OR have been allowed/permitted as a sub- contractor along with copy of TDS Certificates for the work executed between the periods indicated there only. (iii) For experience, work completed by the bidder, as main contractor or as approved sub- contractor (by the end-client), during any of the last seven years ending on last day of the month, immediately previous to the month in which the last date of bid submission falls, shall only be taken into consideration. For the purpose of determination of valid cut-off date for past work experience, the completion date shall be within last seven years irrespective of work order issue date and date of commencement, as mentioned above. (iv) Works completed before seven years ending on and completed after last day of the month, immediately previous to the month in which the last date of bid submission falls will not be taken into consideration for technical qualification. (v) The final techno-commercial evaluation shall be done on the basis of evaluation of financial soundness, past experience, present commitment, credentials of the sub-contractors proposed (if any), capability to deploy specified manpower & equipment's for the work and confirmation regarding strict adherence to the time schedule to be submitted in the form of a bar chart for the present work. For detailed experience criteria (Commercial), clause 30.0.0 and its sub-clauses of Special Instruction to Tenderer –Commercial Chapter-II shall be referred.
c. Criteria for evaluation (Technical)	Evaluation of the tenderer shall be primarily done based on the following qualifying criteria: <u>Experience criteria Technical</u> Bidder should have successfully completed work involving <i>“Laying/ Replacement/ Repair/ Coating/ Maintenance Works of Cross-country Hydrocarbon Pipeline”</i> against a Single Work Order during any of the last seven years ending on last day of the month, immediately previous to the month in which the last date of bid submission falls. Even in case the date of bid submission is extended, the date originally considered as reference date for experience criteria, shall remain unchanged. Bidder shall submit documents in support of above in the form of copies of Work Order, Bill of quantities, etc. in addition to other stated requirements For more detail please refer CRITERIA FOR EVALUATION as per clause no. 1.7.0 of Chapter-II SIT.
